## **ZW HR CONSULTING APPOINTS MERVIN CHUI AS MANAGING DIRECTOR FOR SINGAPORE**

Singapore 08 Jan, 2015—ZW HR Consulting, an APAC leader in mid-senior level staffing solutions and talent management services has appointed Mervin Chui as the Managing Director for its Singapore operations.

Frank Yu, Chairman, ZW HR Consulting said, “Mervin will be responsible for leading and driving all of ZW HR Consulting’s Singapore operations as well as focusing on business growth and investment opportunities not only in Singapore but also South East Asia with his established network and industry experience.”

“Mervin brings a wealth of experience that will further strengthen our ambitious growth plans within Asia. His experience in the many facets of the HR industry will provide our clients and candidates an extra dimension in terms of professional excellence through talented people who can deliver results at the most senior level,” Mr Yu added.

Joyce Jing, General Manager, ZW HR Consulting said, “As we continually expand in Asia, Singapore will continue to play a key role as we develop our service offering in the region. We believe Mervin is a great cultural fit and are delighted to have him join our group. ZW HR Consulting already has a strong track record in placing mid to senior level professionals in the Singapore market. Mervin’s appointment supports our vision to help Singapore companies to attract the best talent.”

“I am excited and looking forward to the opportunity to lead the ZW HR Consulting business in Singapore and SEA as we enter the next phase of expansion within the region. With our specialized recruitment capabilities and extensive professional network, we look forward to supporting our clients in finding the right talent for roles that are critical for current business opportunities and their long term growth strategies,” Mervin commented.

Established in China in 1998, ZW HR Consulting has been operating in Singapore since 2008 and recruits across variety of specialties that includes Aerospace, Life Sciences, Human Resources, IT, Engineering, Industrial, Supply Chain, Sales & Marketing and Corporate Functions.
